

3/24 School Activity: one big group

What are your favorite things to do in Fairfield? What do you wish you could do in Fairfield?

Favorite things to do:

- More trails in the hilly areas around here
- Parks
- Go hiking in Rockville
- Going to the skatepark
- go hunting
- More parks for events
- going to my brother's baseball game at armijo
- AAA Baseball league!
- trampoline park?
- Go to the library/bookstore
- Go to the library
- Go to the mall
- Food places and the mall
- if the mall were closed, I would put a big movie screen in there
- if the mall were closed, indoor park
- Maybe bowling
- More carnivals kinda like the one that was downtown a few years ago
- rallies and festivals for different age groups
- carnivals
- visit the mall!
- A little local restaurant to visit and walk to would be great.
- public events or attractions that aren't just for visitors that can still be fun on a 5th visit
- Different festivals/rallies for different age groups (like in Vacaville)
- sometimes there is a tomato festival
- more events that let you get to know other people in your age group (other than in school)
- Bike. Go to the mall, Scandia
- eat at local restaurants
- PG Coachella Festival idea: bands/groups from schools perform -- high school talent show
- going to Costco
- going to Walmart
- Get drinks somewhere like Dutch Bros

How do you usually get around, say, to school? How would you like to get around?

Current Transportation:

- Driving or biking
- more sidewalks to help walk to school
- Because carpools are sometimes difficult, clean energy mass transit might be needed.
- Driving (4)
- carpool and sometimes with parents
- skateboard
- by car
- carpool
- By car with my parents
- By car with my mom
- Carpool
- more crossing roads
- more bike lanes
- more accessible public transportation
- I would like to walk to school
- Camera's installed around trails/sidewalks
- ride skateboard to school, feels safe because there are other people walking too
- don't remember seeing any buses or busstops in my area
- would like to walk but there aren't sidewalks -- I'm not sure if that's reasonable though because it's a country road
- host carpool
- more street lights
- Keep skateboard in classrooms during school hours
- my mom drives me to school
- my parents won't let me take the bus they think study people are on there
- not enough bikelanes
- electric trains
- bus
- walking
- walking
- walking
- safe crossings
- biking
- biking
- biking

I THINK WE SHOULD DO A EVENT ONCE A YEAR WERE WE JUST PLANT A BUNCH OF TREES OR PLANTS THAT WOULD HELP THE ENVIRONMENT
-Roy

What is your home like? What type of home would you like as an adult?

Current Home Types:

- detached single family home, as an adult it would be cool to still have more of these types of homes or apartments
- I would love to have a big backyard in the future. Also in a quiet nature area. I would also like to have a pet.
- As an adult, I would want a neighborhood that all people to express themselves but still encourages time being together. I would want a semi-large backyard.
- detached single
- Single Family Detached (envison myself living in an apartment for a bit before moving to the same type of house)
- Average suburban home
- Detached single-family home
- I love my home, but I would move it by the ocean. Homes in my neighborhood are single family houses
- I would love to have nature around me
- Single-family home (detached)
- also detached single home when older
- Apartment complex.
- A nice house in a quiet area where everyone gets along
- detached single family homes that aren't close together which awesome
- I would want a bigger yard a little further from the big highways and city's
- I think I would want to move somewhere busier. My neighborhood is pretty quiet and most of the people are kind of old lol
- would love to live in a single-family home near some scenery!
- townhomes
- A quiet area where everyone gets along
- I would want a bigger yard a little further from the big highways and city's
- I want to live in a city type area
- want to explore different places to know that I am in the right place
- Avoiding gentrification while improving living situations
- detached single family homes that aren't close together
- I would want a bigger yard a little further from the big highways and city's
- Single family Because it would be nice to know your have space in your home if your parents ever had to come live with you or even other relatives
- live in a city type area
- my ideal is to be out in a big city for a couple of years to make the most of my life, then get sick of it and come back here

What is your favorite thing about your neighborhood?

Favorite Things:

- skating and walking
- my favorite thing about my neighborhood is the marina, I live by the marina so I go on walks with my family and skateboarding
- I like to go on walks as well!
- walking around the lake
- I like to skateboard with my friends
- baseball
- Walking, visiting the park,
- Play with my friends
- i like that im close to a lot of things like the Kroo center
- Walking Trails
- family picnics in the parks
- Walking around the lake
- the bike paths and walking paths
- I don't enjoy the excessive amounts of gas stations nearby
- maybe neighborhood activities to get to know each other? I don't know if that's too much of a move, dice, but it would be nice to know my neighbors better
- My neighborhood is near a lot of stores
- convenience stores easy and accessible
- We could use better roads in my neighborhood
- I want to live in a safe neighborhood with plenty of nature. Not too far from restaurants, stores, and entertainment
- make school closer to homes
- away from main road, not a lot of cars, feel safe walking around.

Other Comments

Community & Environment:

- Sometimes can feel a bit unsafe especially in the downtown area
- homelessness
- different ways to travel and just building a strong and united community
- support small store owners better
- Shift to clean energy
- unity, bringing community together
- Try to avoid supporting Amazon when possible
- taking care of our people and environment as our first priority
- more accessible public transport
- more bike lanes so we don't produce a lot of carbon from cars
- less gas
- improve the shopping areas
- more opportunities to get together and work together as a city regardless of age
- different ways to travel and just building a strong and united community
- Opportunities for the homeless
- Have everybody needs to be part of it. And that everybody has a role.
- I would want to see a different view and not saying that this area isn't great but I would like to venture out.
- Something that would really change Fairfield is more homes for the elder and improved roads, and more street lights, and it would be wonderful if everyone would throw out their trash properly, better parking, less expensive housing.
